

The Stony Point High School Women's Soccer Boosters are looking for local businesses to advertise as a fundraiser. Your donations will directly benefit the club and its athletes by providing new gear/uniforms, travel expenses for tournaments, end of season banquet and scholarships for each senior player. By partnering with the SPHS Women's Boosters, you have the potential to reach hundreds of children, their family members and neighborhoods in your local community. This is an excellent opportunity to drive local traffic into your business and support a great cause. Thank you for your support.
